GSA Alliant Contract

AMERICAN SYSTEMS was awarded an Alliant Governmentwide Acquisition Contract (Alliant GWAC) from the U.S. General Services Administration (GSA) in March, 2009. The Alliant GWAC is a competitive multiple award, indefinite-delivery, indefinite-quantity contract. The contract is designed to provide worldwide information technology solutions to federal agencies. For more information on how to use this contract vehicle, or if you are interested in partnering with AMERICAN SYSTEMS, please contact Jim McDonnell, AMERICAN SYSTEMS' Alliant Program Manager, directly at (703) 968-5108, or via e-mail at AlliantPMO@AmericanSystems.com.

About AMERICAN SYSTEMS

Founded in 1975, AMERICAN SYSTEMS is one of the largest employee-owned companies in the United States. With offices nationwide and a headquarters in Chantilly, Virginia, we provide a wide variety of services tailored specifically to our customer base. Our approximately 1,300 employee-owners have a vested interest in their work and are committed to delivering the highest-quality strategic solutions to every customer, every time. Our quality reflects our people, our processes, and our philosophy—and our reputation depends on it.
